

Nobcor

OUR COMMITMENT TO YOU

Dear Customer,

I would like to take this opportunity to introduce our company Nobcor Products Inc. We are a family owned Canadian-based manufacturing company that was founded in 1989 by Mr. Gino Nobili, the world renowned musical instrument technician to exclusively develop, produce and distribute accessories for musical instruments.

At Nobcor Products Inc. we strive for excellence. We go that extra mile for our customers to ensure they receive great service and quality products for their musical needs. All of our products are made from top quality materials and are inspected before leaving our premises.

Please take a moment of your time to browse through our catalogue. We thank you in advance for your business and we stand ready to serve your requirements.

If you have any questions please feel free to contact us at nobcor@outlook.com

Yours truly,

S. Nobili

Steven Nobili
Manager of Sales & Marketing

GEMINI SAXOPHONE HARNESSSES™

The Gemini Saxophone Harness™ is designed to relieve stress caused by the weight of the musical instrument. Made with 1" Webbing, the Gemini Saxophone Harness™ distributes the weight of the musical instrument evenly across the shoulders while providing optimum balance and support. The Gemini Saxophone Harness™ improves posture and balance while enhancing the musician's freedom of movement. It is fully adjustable allowing the musician to easily adjust the strap to a precise length. Available in Male, Female and Youth sizes.
